TC 1700

SIR:

In response to the Restriction Requirement mailed May 24, 2002, Applicants elect with traverse the invention of Group II, Claims 8, 12-17, for examination on the merits in the present application.

Applicants respectfully traverse the Restriction Requirement as follows.

MPEP § 803

The claims of the present invention would appear to be part of an overlapping search area.

Consequently, Applicants respectfully request this Restriction Requirement be withdrawn. Accordingly, an examination on the merits of Claims 1-18 is believed to be in order, and an early and favorable action on the merits of these claims is respectfully requested.

Respectfully submitted,
